**THE T.I.P.
ONLINE
TEACHING
CERTIFICATE
PROGRAM (TCP)**

**Be equipped
to teach online,
enroll now!**

Let us help you adjust to the new normal in education.

Enroll in the T.I.P. Online TCP.

With the sudden shift to online teaching and learning due to the pandemic, teachers nationwide were suddenly left with no other option but to adjust to the new normal in educational delivery. Most faculty members were caught unprepared and experienced difficulties trying to thrive in the remote teaching environment.

The Technological Institute of the Philippines (T.I.P.) Quezon City's College of Education understands the importance of providing quality education despite the change in modality and the urgent need to equip teachers in delivering effective online and flexible education.

The online Teaching Certificate Program (TCP) of T.I.P. is a pioneering post-baccalaureate program that focuses on providing teachers with the much-needed skills and competencies to conduct effective online teaching on top of honing their existing teaching abilities in a traditional class setup. The program is also open to non-education degree holders who wish to qualify for the Board Licensure Examination for Professional Teachers (BLEPT).

As a professional, you will be better equipped to:

- teach in the new normal
- prepare instructional materials appropriate for remote learning set-up
- develop curriculum materials such as course syllabi, modules, and other learning tools appropriate for online and flexible teaching and learning

Expect the following when enrolled in this program:

- 12 weeks of rigorous training to develop traditional and online teaching skills
- a fully online class via the T.I.P. Canvas Learning Management System
- classes conveniently set at 3 times a week and scheduled only after office hours

TCP is an 18-unit program composed of the following courses:

- Philosophical and Historical Foundations of Education Including Online and Flexible Learning/Foundations of Education (3 units)
- Principles and Strategies of Teaching with Focus on Online and Flexible Learning / Principles and Methods of Teaching (3 units)
- Preparation of Instructional Materials for Online and Flexible Learning (3 units)
- Curriculum Development with Focus on Online and Flexible Learning (3 units)
- Student Learning Assessment Utilizing Online and Flexible Assessment Tools/ Measurement/ Evaluation Tools (3 units)
- Facilitating Learning Using Online and Flexible Learning Tools (3 units)
